

Trouble Shooting Guide

Please follow these instructions. The red circled items are the links you should click to get to the next step. If you see something different than what is shown, please make note of which step you were on and send a screenshot or describe what you saw to us at gs-comments@ihs.com

Step 1:

Go to <http://www.globalspec.com/events>

IHS GlobalSpec
Online Events

[Home](#) | [Upcoming Events & Webinars](#) | [On-Demand Events & Webinars](#) | [Video Library](#) | [FAQ](#) | [Contact Us](#)

Why GlobalSpec Events?

GlobalSpec's free online events are unique, one-day, live, and highly interactive events connecting our worldwide community of engineering, technical, and industrial professionals for the benefit of interactive learning, knowledge sharing, and networking.

- View leading-edge presentations
- Gain important and relevant content for future work applications
- Experience the latest technology solutions
- Participate in live Q&A sessions with speakers
- Visit and chat with supplier reps in the event exhibition area
- Network and collaborate with other industrial professionals
- Gather valuable resources such as white papers, tech articles, datasheets and more
